

American Home Life Insurance Company, for generations, all generations have trusted the benefits of our...

Strength

The American Home Life Insurance Company commends you for giving thought to your need for life insurance. The choice of an American Home Life policy is a decision that you can gain assurance as being worthwhile. Why? American Home Life has been insuring individuals since our founding in 1909. We have endured and grown over a century through world wars, the great depression, global economic recessions and natural disasters all the while serving the life insurance needs of those who place their trust in us. We are a mutual company owned by our policyowners and operated for their benefit. We are not beholden to stock holders or Wall Street. American Home Life has been "Trusted for Generations" and will be here for you today and generations to come.

We provide life insurance policies, preneed life insurance policies and annuities for all of life's milestones, providing you and your family financial security and risk protection to meet your needs for today and tomorrow.

Our financial strength and overall practices are rated "Secure" by the most recognized insurance rating organization.

Protection

Whether you're securing a future plan to protect a dream, a legacy plan for your family or protection from an unexpected financial challenge, the life insurance you purchase today is there when needed. It may be for an untimely death and unpaid medical expenses, providing an income for your family's future use, paying off a mortgage or leaving an estate for your children. Whatever the reason, the tax free benefits of life insurance should be a part of your overall family's financial planning.

Your protection is important to our professional staff and dedicated agents, who will be there when you need them.

Security

In a lifetime of change, your financial security is important now and in the future. For generations we have been assuring individuals and families of something permanent. With AHL you have options... permanent whole life coverage provides a guaranteed death benefit, guaranteed premiums that never increase and guaranteed cash values

that grow over time and are available for financial emergencies. In addition, permanent policies may pay a dividend that provides even more death benefits and cash values.

Term life policies provide a guaranteed death benefit and premiums for a specific number of years. You may want to consider a combination of both permanent and term coverage.

We also offer also qualified (Traditional and Roth IRA's) and non-qualified tax deferred flexible premium annuities.

Security and peace of mind for you and your family is one of the best gifts you can give.

Service

Our founders understood that our commitment to our policyholder's is one of trust and to deliver at the time of need. Our staff and agents, work hard every day to ensure that we are providing you with the service you deserve and expect.

Our policy is our bond and your assurance of a more secure future. In a world of unexpected events, concern for your well-being and of others is our satisfaction. Our policies allow us to continue to uphold the intent of our founders providing the foundations of Strength, Protection, Security and Service for now and future generations.
